

## **PROPOSITION 65**

### **For Biopolysan<sup>®</sup> and Laurest<sup>®</sup> Products**

#### **Manufacturing Facility:**

Copperhead Chemical Company Inc.  
120 River Road, Tamaqua, PA 18252

---

In response to inquiries regarding compliance of our products with California's Safe Drinking Water and Toxic Enforcement Act of 1986, commonly referred to as Proposition 65, please be advised of the following:

Copperhead Chemical Company has evaluated our Biopolysan<sup>®</sup> and Laurest<sup>®</sup> products for items of concern appearing on the current Proposition 65 chemicals list. We confirm that none of the listed substances are components of our finished products or of any of the raw materials used in their manufacture.

Copperhead will continue to monitor the Proposition 65 regulations for any new chemicals that may be listed and their potential status in our finished products.

Sincerely,

Dawn Clarke  
Regulatory Affairs Manager
